Mission Statement: Providing support and services to help new comers build lives in peace and dignity in the US.

Internship Title: Refugee Resettlement Case Work Intern

Responsibilities/Projects:
The Refugee Resettlement Case Work Intern works as a member of the case management team to assist newly arrive refugees in accessing services and building skills to achieve lasting self-sufficiency in the US.

Intern responsibilities include:
- Fielding walk-ins and telephone inquiries from refugee clients in the welcome and reception center
- Assisting newly arrived refugees with community appointments such as health appointments and school enrollment
- Assist in the preparation of housing for newly arrived families (includes setting up a new apartment with furniture and supplies)
- Participate in airport receptions
- Work with clients to ensure their basic needs are met (assist with grocery shopping, obtaining appropriate clothing, accessing over the counter medical care, completing applications for services, etc.)
- Help clients formulate realistic short and long term goals and create working plans to meet those goals
- Teach new arrivals skills needed to navigate a new community – practice learning how to use the bus, go to the library, access community programs at the children’s museum, go to a store and so on. For interns not familiar with the area this is a great opportunity to teach someone else how you would learn to do this yourself as a new comer
- Complete case notes for all services provided
- Assist with file preparation and maintenance
- Participate in office wide initiatives including special events, advocacy and staff meetings
